VULCAN LOCALS.

Mr. H. D. R. Stewart, Post Office Inspector from Calgary, was in town on Wednesday.

We lead, others follow. Call in and we will teach your dollars to have more cents. A. G. Spooners.

Mr. and Mrs. Billy McMullen, of Cochrane, motored to Vulcan on Monday and will remain a few days.

Mr. and Mrs. Jacques and Mr. and Mrs. Heath motored to Calgary on Sunday and returned the same day.

Mr. C. H. McMillan, who has been recreating at the Coast for the past three weeks returned on Wednesday.

BORN—To Mr. and Mrs. James Massey of Ensign, on Oct. 8th, at the hospital, an 8 pound boy.

Miss Nellie Morris, formerly of the Advocate Office and now of Spartan, was in Vulcan last week visiting Mrs. Arnold.

Miss Ayling, who has been visiting Mrs. Jennejohn for several days last week, has returned to her home in Calgary.

Mr. J. J. Asgard left for California on Wednesday where he will spend the winter, returning in the early spring.

Mr. and Mrs. Jack Tompson, of High River, motored to Vulcan on Saturday, the 27th ult., and visited Mrs. Tompson's parents, Mr. and Mrs. William Hay.

Come and look over our "Fit-Form" and "Society Brand" clothes. Nothing is too good for you. Sold only at the leading Men's Store. A. G. Spooners.

The Council of the M. D. of Riley held a meeting last week and outside of the passing of accounts nothing of importance in a business way was transacted.

Donald Smith has left for Spokane, Wash., where he will work at the mechanics' trade for the winter and will return to his farm to the east of here in the late spring.

Mr. A. M. Trail, formerly manager of the Bank of Hamilton here, passed through the town on Tuesday on business, via motor. He may return to Vulcan in about two weeks to resume his former position.

Mrs. T. F. Stone, who has been visiting her daughter, Mrs. Asseltine in Montana, returned last week. The friends that Mrs. Asseltine made while here last summer will be pleased to hear that her health is improving.

G. McQueen suffered an accident to his hand by a flying steel splinter which necessitated a trip to Calgary to have the same located by X-ray process. It was finally removed but "Mac" is still unable to attend his duties.

The Masons held a large meeting or Lodge of Instruction at Nanton on Monday afternoon and evening last, at which many members from all the near towns of the province were present. After the business session a banquet was tendered all the members and a good time was had.

Mrs. M. H. Rutten was suddenly called to the bedside of her brother near Carbon, a town about 40 miles north of Calgary, who has since died from injuries received by accident when his arm was caught in the driving belt of a threshing outfit. Dip Rutten accompanied her on the trip.

Mr. Edward Brown, formerly of the east of Vulcan where he had a farm, and who left here about five years ago and settled in Black Leaf, Eaton Co., Mont., is in Vulcan for a few days looking around and renewing old acquaintances. He is bemoaning the sale of the properties he once held in these parts, as the same today is much enhanced in value.

For Sale

60 TONS of GREEN
OAT BUNDLES

at the S. E. ¼ of Sec. 22, T. 17, R. 25

T. T. Carruthers, Vulcan, 11-1c

VULCAN LOCALS.

If your house is for sale or to rent, list it with us for quick action. Hagerman & Co.

Mrs. Clyde Hall went to Calgary on Tuesday the 23 ult. and will visit Mrs. Dr. Nelson there for a few days.

Mr. and Mrs. Dr. Carson arrived in Vulcan on the 24th ult. to remain permanently.

Mrs. M. L. Gordon and Margaret, who have been to the Coast for the past two months, returned to Vulcan on Thursday, Sept. 27th.

Harry T. Watts, who enlisted with the flying corps three years ago and who formerly was a Vulcan resident, was in town on Wednesday, the 24th.

Mr. and Mrs. Roy Walker delightfully entertained a number of their friends with a party at their home on Friday, Sept. 26th.

Mrs. D. C. Jones and two children have returned from Winnipeg. She has been visiting relatives there for several weeks.

Dr. Knowles, wife and family left Vulcan on Wednesday evening enroute for Chicago, where the Doctor expects to remain for about a year.

Plenty of good bargains at the Naismith Sale, but Saturday night will see its close, so get in before the same is over. Its a saving for you.

Kathlene Southard, of Calgary, was a guest of Mrs. Roy Walker for a few days last week and returned to Calgary with Capt. McCall in his aeroplane on Wednesday.

All articles previously advertised and still stocked will be sold as priced until Saturday night, when the sale will end at the Naismith Reduction Sale.

Next Monday being Thanksgiving Day all the business places of Vulcan will be closed and it is advised to do your Monday's shopping on Saturday to insure getting your wants.

Mr. and Mrs. P. Beardsley left on Tuesday the 23rd ult. with Mrs. Terwilliger for Portland. They go by motor and expect to stop at various points along the way in Oregon, Illinois and California, and will return to Vulcan in the spring.

Think a minute. Isn't there something you want in our line? If so, it's not too late yet to take advantage of the Naismith Sale which closes on Saturday night next. Stock up for winter as nothing is reserved.

Church of England Services will be held at Oddfellows Hall Sunday morning, October 12th at 11 o'clock. In future services will be regularly held on 2nd, 3rd and 4th Sundays of each month. On 2nd and 3rd Sundays at 11 A. M. and 4th Sundays at 3 P. M. Rev. Bradshaw of Nanton.

Mrs. Philomena Kuhn of the Buffalo Hills country is putting on a sale of her personal effects, including horses, cattle, implements, household furniture, machinery, etc., which is to be held on Friday, the 26th inst., at 12 o'clock, noon, at public auction.

Mr. L. H. Asgard has sold his farm of 800 acres at Milo to Clinton Mahony of Michigan for \$75.00 per acre, and is leaving shortly for California to spend the winter months. He will return to the district in the spring.

This is the last week of the Naismith Sale, which closes on Saturday night. The same has been a grand success and the purpose for which it was instituted, a reduction of stock to make room for incoming merchandise, was fully realized. Mr. Naismith states that he is much pleased with the results.

The Rev. A. R. Schrag, who recently resigned his pastorate in Vulcan, is now actively engaged in his new work with offices in Calgary. He has been called by the Assembly's Committee on the Forward Movement to the important position of Organizing Secretary of the movement in Southern Alberta, a position, it is felt, for which he is particularly adapted. His work calls him from his home life, as his duties require that he visit the different towns of the district and spend considerable time in these. His work may eventually require his removal to Calgary, which if so, will be greatly regretted by his many friends and associates here.

Thanksgiving Day Monday a Day of Meditation and Thanks

Monday, the 13th inst. has been appointed as the day for giving thanks and as is the annual custom, will be observed generally throughout the province by all people. The custom is an old one and is deserving the attention that is usually accorded it. It is a day set apart for all people to acknowledge the benefits that have been bestowed upon them during the past year and to meditate, at least for a time, upon the graciousness and goodness of the One who has so unsparingly cared for us and watched over us through our fortunes and trials. Many will question the appropriateness of this festival because of the seemingly hard knocks some of them have had to contend with in the year gone by, but upon proper reflection all must and will admit that there have been blessings bestowed which should be acknowledged in reverence. There are none of us but who can find something to be grateful for. It may not be in a material way, but the very fact that we are here and most of us enjoying good health with the will and strength to enter another year of purpose and endeavor, while at all times enjoying some of the good things of this life, is sufficient cause for a day of relaxation, meditation and thanks for our present conditions. There are few of us also but who can look about us and feel that our condition might have been worse. Few that can look about themselves and not see others whose conditions, mentally, physically and financially are much worse, and these facts are sufficient stimulants to a proper observance of the annual Thanksgiving Day. Let us then on this occasion throw off the worldly cares and for a short time meditate upon the more serious questions which the day suggests. We will all feel better for this relaxation and will enter into the coming year with added vim and inspired hopes which will go to success and comfort in the year ahead and will emerge to celebrate another Thanksgiving Day with still more fervor and cause for gratitude.

Organized Vulcan Band Elects Officers for Permanent Good

The Vulcan Band was duly organized at their last Thursday night meeting and the following officers were elected: Pres., T. F. Dawson; Vice-pres., Max Rutherford; Secy-treas., F. L. Simgington. An Executive Committee of five was also elected consisting of the above officers and W. O. Torgeson and C. Kettleison. It is the present intention of the members to give a grand masquerade ball on Oct. 31st, Halloween night, the proceeds of which will go to supplying further equipment, and a fine programme is being arranged for this occasion by the band boys. Practice is being held twice a week regularly and good progress is being made. They may make their initial appearance on the evening of the dance on the streets of Vulcan when all nervously inclined citizens are requested to bar their doors. Harmony five will furnish the music and use cotton in their ears. The for the dance.

George Hoadley, M. P. form Okotoks, passed through the town on his way to his farm to the east of Vulcan. He speaks encouragingly regarding the great future possibilities of this district and looks upon the late "come-back" as one of the greatest advertisements this country could possibly have.

Mass will be celebrated at 9 o'clock by Father Rouleau, on Sunday next at the I. O. O. F. Hall.

Dr. Carson and family will occupy the residence lately vacated by Doctor Knowles.

With the acrimonious discussion which appears to be the rule in the House just now it will be a case with many members of being truly thankful when Thanksgiving Day comes.

Dr. Knowles Watched His Friends Surprise Him With a Ticking Reminder

An event of local interest occurred on last Tuesday evening when a number of citizens and intimate friends summoned Dr. Knowles, and his good wife to appear before them and invited them to the home of Mr. and Mrs. Denby where they were both handsomely watched. The presentation, following some sincere and laudatory remarks, reflecting upon the past associations and good influences of the Doctor in the Village and district, was feelingly made by W. E. Butchart and voiced the expressions and feelings of those present as well as the host of other intimate acquaintances of the Doctor who were not able to be present. The feeling was prevalent that, inasmuch as the Doctor was about to leave Vulcan, his friends were desirous of showing the high esteem in which he was held in the community, and further desired to emphasize that esteem by a substantial gift which would for ever after be to him a reminder of the friends and associations of his past life in Vulcan, and to each the Doctor and his wife a handsome watch was presented. The Doctor was visibly moved and it was with difficulty that he could acknowledge the courtesy extended him, the affair being altogether unexpected and unknown to him, but he managed to convey the impression that he was thoroughly grateful and pleased and quite overcome by such expressions of friendship, which to him would never be forgotten. The gathering then broke up and soon in its wake will follow the departure of the Doctor from Vulcan, when the Village will have lost one of its most progressive and popular citizens. The Doctor and his family are going to Chicago where he intends to take up a special post-graduate course which he expects to complete within a year and after which he will return to some part of Alberta to locate and will in all probability settle in some one of the larger cities, where it is sincerely hoped that he will be able to see any and all of his past Vulcan friends when in his direction. The Doctor will miss Vulcan and its people and associations, but not more so than will the people of Vulcan miss the Doctor, whose always happy disposition and beaming face was an inspiration for good cheer and an enemy of the blues. Here's good luck to you Doctor, with the sincere wishes of your friends that your every ambition may be fulfilled and that success may be yours.

MUNICIPAL HAIL LOSSES

The total losses by hail in the Province under the Municipal District Hail Act for the past season was \$504,390.49, of which the M. D. of Royal was \$13,882.28; the M. D. of Marquis \$46,926.06; the M. D. of Dinton \$77,358.59; the M. D. of Riley \$2,536.80 and the M. D. of Harmony \$102.40. The M. D. of Dinton was the hardest hit of all the districts. The claims for the premiums are now in the hands of the different secretaries of the different Municipalities for presentation and collection and the results of their efforts will soon determine the complete result of the workings of the Act. The Hail Board are already making extensive plans for the coming year as the results of this year have so far been very favorable.

Robert M. Syngé, from near Lake McGregor, came to Vulcan for a load of coal on Tuesday afternoon with his four-horse team and he is still here. The storm of Tuesday night gave one of his horses the colic and it wandered from the barn and when found was in a hopeless condition and soon died. Mr. Syngé is looking for another horse to make up his team and get home with his load of coal.

COMING—COMING—COMING

A Fowl Supper will be held at the Berrywater School under the auspices of the U. F. W. A. on Thanksgiving Day, Monday, Oct. 13th. Supper will be served from 6 to 8 P. M. A good programme, consisting of dialogues, recitations and music will be rendered. Admission 50 cents. Everybody come.

SETTLED

The strike of the British Railway men was satisfactorily settled on Oct. 6th and lasted but thirteen days. This achievement was hardly expected from the seeming magnitude of the proposition, which seemed to hold prospects of an entire tieup of all travel and transportation for an indefinite time. The quick and satisfactory disposal of the matter is a great credit both to the British authorities and the strike leaders who had the matter in hand. All was smoothly and amicably adjusted—whereby the men returned to their posts under an agreeable understanding, and no disturbances were experienced in any form. Wages were stabilized at the present prices until Sept. 20th, 1920, and no adult railway men in Great Britain shall receive less than 51 shillings a week while the cost of living is 110 per cent. above the pre-war level. Concessions were given and taken on either side and no complete victory regarding the settlement can be claimed by either side. The most satisfactory as well as surprising effect is that the strike was settled so quickly and satisfactorily, without serious injury to the business of the country. The strike was well handled by the leaders of both sides.

WHAT AILS THEM

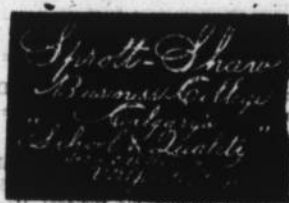

It now develops that the U. S. Senators, who are so strenuously opposing the Peace Treaty, are actuated solely by paragraph 5, Article 8 of the Covenant of the League of Nations. Here is the paragraph. Read it carefully:

The members of the league agreed that the manufacture by private enterprise of munitions and implements of war is open to grave objections. The council shall advise how the evil effects attendant upon such manufacture can be prevented, due regard being had to the necessities of those members of the league who are not able to manufacture munitions and implements of war necessary for their safety.

Keeping the foregoing paragraph in mind we find that there are 5,060 private munition plants in the United States, and where these plants are located the Senators of that state are opposed. Pennsylvania has 1,024 plants and Senator Knox is opposed to the Treaty; Massachusetts has 600 and Senator Lodge is anxious to kill the League; New York has 829 plants and Senator Wadsworth is strongly opposed; New Jersey has 440 munition plants and Senator Frelinghuysen rips and roars about the League; Connecticut has 276 plants and Senator Brandage has shown a bitter sentiment against the League. If the League is adopted what will become of the war business of the big business constituents? No doubt this is what ails them.

DID NOT GET GRATUITY

We have heard the statement repeatedly made that Sir Arthur Currie has received a grant of \$100,000 from the Canadian Government as a gratuity. As there are many around these parts who evidently believe this, we would like to say that Sir Arthur Currie has never received any special gratuity of any kind whatsoever and that the question of granting him one is not under consideration. Grants of that kind can only be made by Parliamentary vote. The British Government made large grants to Haig and Beatty and other generals and admirals, and General Currie is as much entitled to a grant as the above mentioned.

EDITORIAL COMMENT

Germany is now planning an invasion of goods and emigrants to restore her industrial energies at home. She will audaciously enter the lands of the Allies in her attempts to recuperate, but is especially contemplating a large emigration into Central and South America and Mexico. It is estimated that 20,000,000 Germans will soon start emigrating, practically for German trade promotion.

Strikes and labor unrest are also effecting the publication service. The last issue of the Literary Digest was put out in a very abbreviated form and minus all advertisements due to a dispute between two factions of a labor union in the establishment. Owners and managers are hardly accountable for their own enterprise these days.

President Wilson, who has been seriously indisposed for the past ten days and whose death was at one time erroneously reported in these parts, is slowly recovering. He was suffering from nervous breakdown, and it is now suggested that he will have to give up further cares of his office by resignation, as his health will not permit of continued activity.

The British ministry of shipping has disposed of the great Hamburg-American steamship, "Imperator," to the Cunard line and she will take the place of the Lusitania in the regular service of that country. The Imperator was in the docks at Hamburg during the war, and since then has been used to carry American troops home.

Thursday, Oct. 9th has been declared by His Excellency, the Governor General of Canada, by proclamation as Fire Prevention Day, and all good citizens are expected to clean up and burn all rubbish and other fire causing debris about their premises.

Box seats for the world's championship baseball games sold at \$40 each, and a trip in Captain McCall's aeroplane for 8 minutes cost \$15. This cost of living problem is a terrible one, but however high, we must have them.

We are glad to see that the G. W. V. A. of Vancouver are getting after the landlords who will not allow tenants with children to occupy their premises. It is time a firm stand was taken on the question.

An ingenious inventor has hit upon a very original scheme whereby one room can be, at will, transformed by means of a turn-table into three rooms as needed.

Mayor Couzens, of Detroit, when Ford started on his auto career, invested \$2,500 which he sold for \$29,000,000.

There is a shortage of 38,000 school teachers throughout the U. S.

TO PREVENT UNEMPLOYMENT

Next year will be well advanced before Canada's main expenditures for war can be completed. Every dollar that can be raised from the Victory loan, 1919 will be required.

Although hostilities ceased in 1918 war expenses went on.

This is just as much a war year as last year was, as far as the money is concerned. Pressing liabilities incurred by the war and involving vast sums of money have to be cared for. The simplest and most profitable manner in which this can be done is for the people to provide the money themselves.

The Victory loan 1919 is entitled to just as much consideration as was given to its predecessors. It is up to every loyal Canadian to do his utmost to make the new loan an overwhelming success. The continuance of the prosperity of the nation is wholly dependent upon it.

It was naturally to be expected that trade depression in the Dominion would have followed the armistice but this was averted by the application of a large proportion of the last Victory loan as credits to Great Britain and our Allies for grain, dairy produce, fish, lumber and ships. These credits were absolutely necessary, and strictly good business. They must be continued. They are national re-investments. The debts will be paid eventually and in the meantime industrial and agricultural workers will be kept in busy and lucrative employment.

Employer—"For this job you've got to know French and Spanish, and the pay is eighteen dollars a week."
"Lord, Mister! I ain't got no education; I'm after a job in the yards."
"See the yard boss. We'll start you in at forty."—Life.

REID HILL INSTITUTE MEETING

The October meeting of the Reid Hill Women's Institute was held at the home of Mrs. Jack McKay. Some 50 members were present, about 26 coming from Queenstown and Champion, these Institutes being the guests of the day. The first number on the program was a very novel one for an Institute meeting, being a marriage ceremony which was both a surprise to the ladies present as well as the participants in the event. Miss Bertha Matlock and Mr. Fluery, thinking to put one over on their many friends in the Champion district, slipped away to Vulcan to be quietly married, but on arriving there were disappointed to find the minister away. They then phoned to Champion, but the Rev. Mr. Cooke was just leaving for Reid Hill, so the couple started for there too. Imagine their surprise on arriving to find some 50 ladies assembled. The Institute ladies responded very ably to the situation, after the ceremony was performed, serving the wedding party, Mr. and Mrs. Fluery, the bride's mother and father, Mr. and Mrs. Matlock and Mr. and Mrs. Barclay, a very dainty luncheon. They were then hastened on their way amid showers of rice and the good wishes of the Institute members.

After such an unusually exciting event the members found it difficult to calm down and proceed with the meeting, but all present were pleased with the queer interruption in the intended program.

Mr. Cook of Champion addressed the ladies with a few well-chosen remarks. Mrs. Jack Marshall gave the report of the constituency conference. Mrs. Ray Adams rendered a pleasing piano solo; Mrs. Jack Baden a vocal solo; Mr. Cecil Smith a vocal solo. Mrs. W. Meyer read a paper on the business of being an Institute member.

Greetings were brought from Champion Institute Becabit and by Mrs. Robison from Queenstown. The Champion ladies invited the Reid Hill Institute to visit them on Oct. 28th. Mrs. Rogers, Provincial secretary, will be in Reid Hill the last of Nov., when a special meeting will be called, to be announced later. The regular November meeting will be held at the home of Mrs. Otis Wooters. Guests at this meeting, which will be long remembered by all present, were served at the close, a very dainty luncheon prepared by the hostess.

EBERLY—MORRISON

In the presence of a few immediate relatives and friends a very pretty wedding was solemnized on Saturday, September 27th, at the home of Mrs. M. Eberly of 9643 Edmonton South, when her eldest daughter, Henrietta was united in marriage to William Morrison, eldest son of Mr. Absalom Morrison, of Okotoks. The Rev. McGougan, of Edmonton, performed the ceremony. The bride, who was charmingly gowned in cream-colored jersey silk and carried a bouquet of white roses and carnations, was attended by her sister, Miss J. Eberly, who was also attired in cream-colored jersey silk and carried a bouquet of pink roses and carnations. J. W. Morrison of the Buffalo Hills district brother of the groom, acted as best man. The newly wedded couple will reside in Edmonton. The groom, who returned last spring from overseas service was formerly pastor of a Presbyterian mission near Vulcan.

CANADA'S FOREIGN LIVE STOCK CONDITION

H. S. Arkell, Live Stock Commissioner, who has recently returned from a trip to Europe where he has reviewed the live stock market situation, has expressed his views regarding Canada's position, in the October number of the Agricultural Gazette. He states that the London agents of our Canadian packers reviewed in disappointment the orders for Canadian goods—bacon, eggs, etc.—for which they could obtain but a tenth of the product they required. The unwarranted high price of hogs in Canada during the past month is but a reflection on the reputation of Canadian bacon, as compared with American, and demonstrates the effort of our packers to maintain their connection with old established clients in the face of short supplies. Since Denmark, within a year, will again be a factor on the bacon market, our only security for the future is full production and such a substantial export supply as must command recognition by its volume and quality. Short hog production is unquestionably the most dangerous policy Canada can adopt. This is true of eggs as well as bacon.

NATIONAL WEALTH AND INCOME OF CANADA \$2,423,000,000

The present estimated value of the railways of Canada is two billion dollars. That does not include the street railways which are valued at one hundred and sixty millions. Canals are worth one hundred and twenty-three millions; shipping, thirty-five millions; telegraphs, ten millions and telephones, ninety-five millions. These utilities are a portion of the security for the Victory loan 1919. The estimates are made by Dr. P. H. Coats, Director of the Dominion Bureau of Statistics at Ottawa. He places the total of the National wealth and income of Canada at \$19,002,788,125.

The base ball games to decide the championship of the world now being played between the White Sox of Chicago and the Cincinnati Reds, having proceeded to the limit in which the players participate in the returns, shows that the winning club players will draw down about \$5,000.00 each while the losing club players will get about \$3,400 each. A nice little lump for a few days of sport.

You Can't Order--- Storm Sash and Storm Doors Too Early

The money value and personal comfort of these essentials has been clearly demonstrated.

"SHE withstood everything in the field and
above all was, and still is, the last and
only car to survive until the cessation of
hostilities."—Extract from letter received by
Ford Motor Company from a British Soldier,
in Africa.

Over shell-torn roads, through water soaked fields, second
only to the tanks in its power to climb debris and crater holes,
the Ford car made a world famous record in the fighting area
of the great war. In press despatches, in field reports, in
letters, in rhyme and song the praises of the Ford were sounded.

In France - 700 cars out of 1,000 were Fords
In Italy - 850 cars out of 1,000 were Fords
In Egypt - 996 cars out of 1,000 were Fords
In Mesopotamia 999 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record
in every theatre of the war remains the same. It will be in
the Ford you buy.

Ford Runabout \$600. Touring \$800. On Open models the Electric Starting and
Lighting Equipment is \$100 extra.
Coupe \$975. Sedan \$1,175 (closed model prices include Electric Starting and Lighting
Equipment). Demountable rims, tire carrier, and non-skid tires on rear as optional
equipment on closed cars only at \$100 extra. These prices are C. & F. Ford, Ont., and do
not include War Tax.

Buy only Genuine Ford Parts. 700 Canadian Dealers
and over 1,000 Service Garages supply them.

COUNCIL MEETING OF M. D. OF DINTON No. 189

Minutes of Council meeting held at
Blackie on the 30th day of September,
A. D. 1919. Present, Reeve J. A.
Green, Councillors Farrell, Mallinger,
Moss, Tompkins and Trego. H. H.
Wilson, Sec.-Treasurer. Minutes of
the last meeting were read and adopted.

Mallinger.—That a By-Law be
drafted and sent to the Department of
Municipal Affairs for approval making
it compulsory for the owners of
lands in the District to destroy the
weeds in the roads opposite to their
property as far as the middle of the
road. Carried.

Trego.—That Pay Sheets Numbers
83 to 87 be passed for payment. Carried.

Farrell.—That Smith Farrell's bill
for \$82.20 for hauling coal be passed
for payment. Carried.

Tompkins.—That the following bills
be passed for payment if duly certified
as correct by foreman Mainland:

J. A. MacDonald, \$85.15; Fiak &
Kelly, \$17.70; Blackie Co-op., \$154.75.
Carried.

Mallinger.—That the following bills
be passed for payment: Vulcan Iron
Works, \$20; Everall & Franks, \$9.50;
High River Times, \$7.75; cartage, 50c;
Blackie Trading Co., \$8.40; John
Frew, \$7. Carried.

Trego.—That the following bills
from Division 5 be passed for pay-
ment: Hugh Wilson, \$12; Wm. C. Mor-
rison, \$8.50; Prairie Lumber Co.,
\$491.05. Carried.

Moss.—That the following bills be
passed for payment: J. P. Watts,
\$8.60; C. Chaffin, \$30.60. Carried.

Trego.—That Poundkeeper Carson
be allowed the amount of \$4.60, the
amount due him in connection with the
impounding and sale of certain horses.
Carried.

Trego.—That the following bills
from Division 4 be passed for pay-
ment: Mrs. Buster, \$120; John Frew,
\$5.00. Carried.

Trego.—That Pay Sheet No. 88
from Division 4 be paid as soon as
funds are available for the purpose.
Carried.

Trego.—That the following By-law
be read twice, and after receiving the
approval of the Minister of Municipal
Affairs be duly advertised:

A By-law of the Municipal District
of Dinton No. 189 for restraining ani-

mals at large.

No horse, cattle, goat, sheep, ass,
mule, pig or goose, the property of
any person, resident or non-resident,
within the said Municipal District of
Dinton No. 189, shall at any time be
at large in any part of the said Mun-
icipal District.

An animal at large shall be deemed
to be any animal not under direct con-
trol of the owner or someone acting
under his authority or not confined
within any building or lawful fence.

Any animal at large contrary to the
provisions of this By-law may be im-
pounded in the manner herein provid-
ed for.

Pounds shall be established as fol-
lows: (Vidi list attached).

Any fence conforming with the re-
quirements of the Fence Ordinance
shall be deemed a lawful fence.

The provisions of Sections 208 to
215 inclusive of the Municipal Dis-
tricts Act, shall be deemed to be in-
corporated in and form part of this
By-law.

The provisions of the Stray Animal
Ordinance, the Entire Animals Ordinance,
the Herd Ordinance and the
Pound Ordinance shall cease to be op-
erative within the said Municipal Dis-
trict on the coming into force of this
By-law.

Any person who suffers or permits
any animal, which he is entitled to be
in possession of, to be at large within
the said Municipal District, shall be
guilty of a breach of this By-law, and
shall, under summary conviction un-
der part of the Criminal Code, forfeit
and pay as a penalty an amount not
exceeding One Hundred Dollars and
costs, and in default of payment
forthwith after conviction, shall be
liable to punishment by imprisonment
with or without hard labor for a pe-
riod not exceeding thirty days, unless
such fine and costs, including the
costs of committal, are sooner paid.
Carried.

Trego.—That the secretary be in-
structed to write to Mr. Evans to the
effect that the Council will hold back
\$5.00 a day of the rent of the Munici-
pal Office for each and every day in
which heat is not supplied when need-
ed. Carried.

Mallinger.—That the matter of the
bridge between Sections 9 and 16, in
Township 19, Range 25, West of the
4th M., be again taken up with the
Department of Public Works. Carried.

Tompkins.—That the expenses of

the Sec.-Treasurer while attending the
Court at Calgary in connection with
the Tax Enforcement proceedings be
allowed, amount \$10.95. Carried.

Trego.—That the meeting now ad-
journal to meet on Saturday the 8th of
November, 1919. Carried.

(Signed) J. A. Green, Reeve
H. H. Wilson, Sec.-Treas.

M. D. OF MARQUIS BY-LAW NO. 15 MEETS WITH OBJECTIONS

The M. D. of Marquis notice to
rate-payers of By-law No. 15, for the
restraining of animals running at
large, has met with objections as to
certain clauses contained therein, by
a sufficient number of rate-payers to
defeat the present measure and re-
quire a reconsideration of the same
with certain changes to satisfy the peo-
ple who come under its provisions.
One of the principle objections was
that part of clause 2 which provides
that "the property of any person non-
resident" and the objection was that
the ruling should apply to resident as
well as non-resident persons. These
objections formally presented and
containing sufficient legal number of
signatures, requires another consid-
eration of the By-law by the Council
Board and a correction of its clauses
to meet the general requirements be-
fore the same can become operative.
The Board will take up the matter at
its next meeting when it is hoped to
so frame another that it will meet the
approbation of all interested.

The poet had written a poem about
his little son, and began the first
verse with—"My son! My pigmy
counterpart." Imagine his rage when
the compositor made it read—"My
son! My pig, my counterpart."

BLIZZARD

The Village and the country generally are just now experiencing a veritable blizzard. Everybody went to bed on Tuesday evening under a bright shining moon, clear skies and agreeable weather, but about 2 o'clock in the morning there was something doing. The wind got busy and tried to wipe up all the dust on the different thoroughfares and spread it around and over the unsophisticated sleepers of the town who are in the habit of leaving their windows open according to Hoyle when they retire for their night's beauty sleep. A snow storm soon followed accompanied with cold weather and it hasn't al-

together let up yet. Furnace and stove fires and coal have been the most popular things for the past few days and everybody has been busy endeavoring to get things in winter working order again. Many people have suffered the loss or spoiling of their potato patches, a great many of which had just been unearthed and were laying exposed to the storm on top of the ground. It went last long, and should not have been a surprise to those dyed-in-the-wool believers of father Foster, who sure hit it on the head this time. He was correct to the day and date and quality of the present blizzard. It can't last long and outside of the few patches of spoiled "spuds" will not have done a great deal of damage.

Municipal School Fair

Very Successful Event Held at Milo

The late Municipal School Fair held at Milo was a magnificent success from point of attendance, enthusiasm and display made by the children. It exceeded all anticipations and was so encouraging that the Fair is certain to be an annual event. The different schools from the district were largely in attendance and the programme was carried out with much pleasure as well as information. The fair was primarily intended for the display of garden products attended to and raised by the pupils of the different schools of the district under instructions and guidance of municipal agricultural officers, who, early in the spring started school gardens and supplied the seeds for the growth of different vegetables, and promised prizes for the best results from such, individually and collectively, the prize to be awarded at the late Fair. Great quantities of splendid samples were displayed as the results of their work and many of the young folks were delighted with their achievements and the prizes awarded. The idea seems to have met with popular accord, and much instruction and education followed the development of the gardens which were undertaken, in most instances with interest and enthusiasm. Speakers from the Claresholm Agricultural School, as well as Edmonton, and other points, were there and addressed the gathering. Sports were also enjoyed and on the whole the first Municipal School Fair was a grand success and promises to grow in popularity as the years roll around.

MASONS FOREGATHER

There was a very interesting meeting of Masons held at Nanton on Monday evening last when V. C. Stanley, D. D. G. M. called a meeting of the various lodges in the district for the purpose of holding a lodge of instruction. In response about 150 brethren gathered from Okotoks, High River, Nanton, Claresholm, Stavely and Granum. Grand Lodge was represented by Grandmaster, Mr. Bottrell and Grand Junior Warden, F. S. Selwood, Grand Chaplain, R. Pearson, M. L. A., and S. Y. Taylor, Custodian of the Work. During the afternoon Claresholm Lodge exemplified the third degree in the Canadian Rite Work and in the evening Nanton Lodge exemplified the third degree in the York Rite. Much interest was displayed by all present and great credit was given the Lodges in their splendid exemplification of the Work.

A magnificent banquet was served by the Ladies of the Presbyterian Church which was appreciated to the full by all who partook thereof.

The next meeting will be held in High River in 1920 when every endeavor will be made to make it a success by the members.

To the D. D. G. M., V. C. W. Stanley is due much credit for the success of the first annual meeting of this district, for he worked assiduously with Nanton members to make it a success.

Cincinnati Wins

Defeats Chicago in the Eighth Game of the Series

Cincinnati won the world's Championship series by defeating the Chicago White Sox on Thursday, it being the eighth game of the series, and Cincinnati winning out by five games to three. The attendance at the games was the largest ever drawn by a championship series and the amount in which the players participated was consequently the largest ever divided. The conclusion was generally satisfactory to fans in this quarter whose leanings favored Cincinnati; and they wanted to see them win. Chicago has enough of these "belts" to hold her for a while and the win will be a good inspiration for Cincinnati as well as a sort of "come-back" for the National League. Everybody happy.

"PEP"

By Grace G. Bostwick

Vigor, vitality, vim and punch—
That's pep!
The courage to act on a sudden hunch
That's pep!
The nerve to tackle the hardest thing,
With feet that climb and hands that cling,
And a heart that never forgets to sing
That's pep!
Sand and grit in a concrete base—
That's pep!
Friendly smile on an honest face—
That's pep!
The spirit that helps when another's down,
That knows how to scatter the blackest frown,
That loves its neighbor and loves its town—
That's pep!

To say "I will" for you know you can
That's pep!
To look for the best in every man—
That's pep!
To meet each thundering knock-out blow,
And come back with a laugh because you know
You'll get the best of the whole darned show—
That's pep!

If the allegation against the Dominion Cannery of Hamilton in the cry of supplying gravel and rotten beans to the boys at the front are found to be true, no punishment can be too severe for the offenders.

Victory Loan 1919 Campaign Has Started

The Southern Alberta Victory Loan campaign is off to a good start. All committees have been appointed, district captains have been named and organization is in most cases commenced. Southern Alberta covered itself with glory by subscribing nearly nine million dollars to last year's loan. This year it is asked for six and one-half million dollars, and it will go "over the top."

In some places, owing to poor crops, people may think themselves too hard up to subscribe to Victory Loan, 1919, but that is a mistake. A man may be too hard up to subscribe as much as he would like to, but in this country he cannot be too hard up to subscribe at all. Therefore, the thing that is to be considered is not "Can I subscribe?" but "How much can I subscribe?"

There are very many reasons for subscribing to the Victory Loan. In the first place, it will help the returned soldiers. In fact, the plans for helping the returned soldiers could not go on without the Victory Loan. Every returned soldier should be an enthusiastic booster for the Victory Loan, because without it there is no use in talking about gratuities or anything like that, as the money would not be there. It will help trade. Every farmer should be a booster for the Victory Loan, for upon it depends the sale of his crop at the good price he is getting for it today. If the Victory Loan fails the crop movement must cease; if the Victory Loan succeeds the crop will move out and the money will move in.

It will increase prosperity. Canada has subscribed about a billion dollars to its own Victory Loans, and every time it has put over a loan the bank savings throughout the Dominion greatly increased. Subscribing to the Victory Loan is like paying out money with one hand and taking it back with the other in increased

business, and having the bonds as well. The Victory Loan has no politics. Following is a letter from Hon. MacKenzie King, leader of the Liberal party, to Sir Henry Drayton, minister of finance, which shows the country is united on behalf of the loan. A dispatch from Ottawa says:

OTTAWA, Oct. 3.—Thorough endorsement of the Victory Loan, 1919, is expected by Hon. W. L. Mackenzie King, leader of the Liberal party in the Dominion, in a letter addressed to the minister of finance, Sir Henry Drayton. This is his letter:

"My dear Sir Henry: I am pleased to join with you in commending the Victory Loan to the people of Canada. It is imperative that Canada's credit should be maintained. As the government finds that borrowing is a necessity to meet existing conditions, it is in every way desirable that the amount required should, if possible, be raised within Canada itself. I hope, therefore, that this loan may be over-subscribed by citizens of the Dominion."

"You appreciate, of course, that in expressing a desire to see the loan a success, such obligation as I may have in the matter of criticizing unnecessary or extravagant public expenditures is increased rather than lessened; and that this endorsement is given upon your assurance that the organization of the campaign and everything about it is absolutely and entirely non-political."

"Yours sincerely,
(Signed)
"W. L. MACKENZIE KING."
Subscribe to the Victory Loan, work for it, and put your district at the head of the list this year.
